ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed February 23, 2000, to revive the above-identified application.

The petition is GRANTED.

37 CFR 1.137(b)(3) requires a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. If the statement contained in the instant petition varies from the language required by 37 CFR 1.137(b)(3), the statement contained in the instant petition is being construed as the statement required by 37 CFR 1.137(b)(3) and petitioner must notify the Office if this is not a correct interpretation of the statement contained in the instant petition.

The Terminal Disclaimer filed on February 23, 2000 has been accepted, and the period disclaimed is ten (10) months.

Telephone inquiries concerning this decision should be directed to the undersigned at (703) 305-9282.

The application file is being forwarded to Technology Center 1600 for appropriate action on the amendment filed January 4, 2000.
